General Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE.

SIR,

I have the honour to state that the District Board, Kolar has, at its meeting held on the 14th March 1932 resolved that a sum of Rs.200/- may be sanctioned for the purpose of awarding medals to philanthropic gentlemen who construct Primary school buildings at their own cost and hand them over to the Education Department. The President, District Board, requests that a sum of Rs.200/- may be allotted annually for this purpose from the Elementary Education Funds of the District as this expenditure is a legitimate charge on that fund.

The School Board, Kolar also is agreeable to this proposal since it resolved at its meeting held on the 9th March 1932 (earlier than the date of the District Board Resolution) that a sum of Rs.200/- or Rs.300/- may be provided in the budget of 1932-1933 for this purpose.

Apart from the consideration whether such awards would be any inducement at all, for people to put up buildings for school purposes, the award of such distinctions for public service is at present a royal prerogative. In the circumstances, I solicit orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

OFFICE ASSISTANT,

This may if agreed be referred to Es-P to Secretariat of Mr. C.B.

Subject:- Proposal of the District Board, Kolar, regarding the award of medals to donors of educational buildings.

Sir,

With reference to your letter No. B1. 5187-369 of 1931-32 dated the 29th November 1932, on the above subject, I am directed to state that as you are aware there is already a system of recognising the public services rendered by persons in various fields of activity, by the award of public service medals by His Highness the Maharaja and the grant of certificates signed by the Dewan or the Deputy Commissioner. The donors of educational buildings also come within the purview of the awards ~~referred to above.~~

In the circumstances, Government do not consider it desirable to permit the District Boards or other local bodies to institute another overlapping system of awards. The Kolar District Board may therefore be informed that their request cannot be acceeded to and that cases deserving of recognition by Government may be brought to ~~the notice of Government for necessary~~
